

Datasheet

SP2-G

Aluminium push-button enclosure M4 80x125x70mm, 2 hole Ø 22, with cable entry

Features

Range	Diecast aluminium enclosure
Components	2-hole lid Ø 22
Code	SP2-G
Description	Diecast aluminium push button enclosure 22mm, 2 hole
Colour	RAL7035
Weight - gr	525.0
Customs Tariff	85381000

Specification

Approvals	CE, RoHs
Operating temperatures	-50° ÷ +80°C
Protection degree	IP66 / IP67
Protection against impact	IK08
Manufacturing process	Diecasting
Enclosure material	Aluminum
Gasket material	Rubber
Screw material	Stainless steel
Screw type	M4 x 20
Painting	Power coated
Protection against electric shock	Class I (IEC-EN61140)
Warranty period	12 months
